Mediation Services Fee Schedule

TAC's Family and Faith-Based Conflict Resolution program offers practical tools and strategies for resolving conflicts within families, churches, and faith-based workplaces and nonprofits. Drawing upon faith-based teachings on forgiveness, reconciliation, and peacemaking, participants learn constructive ways to address disagreements, restore broken relationships, and promote unity in a safe environment according to their chosen faith whether online or in-person. Collaborative divorce packages are also available, with Veterans families receiving a discounted rate in honor of our favorite Veteran.
